

QUALITY POLICY STATEMENT

Walkers Transport Limited believes that its market expects a continually improving service. We aim to continually improve the service we provide to satisfy the demands and expectations of our customers, by providing bespoke transport and storage solutions that we can justifiably be proud of.

The company aims to achieve the above by implementing a management system that complies with the international standard of good practice ISO 9001:2015. It also includes a commitment to meet the requirements of our customers, and learn from customer feedback, as well as legal regulatory, and other requirements. Also, to continually develop its Quality Management System to ensure that it remains effective.

We will only achieve our planned aims of long-term success and sustained improvements by providing an outstanding quality focussed service.

All company employees are responsible for the quality of their work.

The company provides training and has established systems to assist all personnel to achieve the standards required.

The policy, organisation, and procedures necessary to achieve the required standards are described in our Quality Management System.
