MODERN SLAVERY ACT 2015 STATEMENT
MODERN SLAVERY ACT 2015 TRANSPARENCY POLICY STATEMENT

Walkers Transport Limited fully supports the Modern Slavery Act 2015. This statement sets out the steps that Walkers Transport has taken during the previous financial year to ensure that slavery and human trafficking is not operating within either its own business or its supply chains.

This statement has been approved by the Board of Directors of Walkers Transport Limited.

Walkers Transport was founded in the UK in 1979 and is a leading transport and third-party logistics specialist. It provides bespoke solutions for manufacturers, retailers, and wholesalers.

Walkers Transport has approximately 300 employees and operates three sites in the UK: Leeds, Manchester, and Lichfield. Its Northern Hub at Leeds is operated on behalf of the Palletways (UK) network.

In the context of the Modern Slavery Act 2015, our business is a service provider that coordinates the movement of palletised goods on behalf of its customers who own the contents of the shipped goods. Walkers Transport facilitates these shipments via its transport infrastructure, IT platform, customer management and brand penetration.

Walkers Transport has its Head Office in the UK, and all its trading locations and employees are based in the UK.

Walkers Transport has established a framework of policies and procedures which collectively detail the following:

Walkers Transport supports and respects the protection of internationally proclaimed human rights.

Walkers Transport is committed to ensuring it is not complicit in human rights abuses.

Walkers Transport respects workers' rights to join, form, or not join workers' organisations, including trade unions.
